Dear Parents,

Our school district, The Palliser School Division, uses the SchoolMessenger notification service to send important information to families through phone calls, emails, and text messages. Carmangay Outreach normally uses SchoolMessenger to send out Synervoice phone calls. We are now looking to add SMS Text Messages to this service, for parents who choose to accept this service.

To comply with wireless carrier requirements and protect against unsolicited text messages, **you may receive a text message on the wireless cell phone number which the district has on your file, requesting that you "opt-in" to receive important information from the district via our SMS text messaging service.** The message you receive will come from our 'short code', 978338 and read similar to the following: "Palliser Regional Schools SMS messages. Reply Y to subscribe or STOP to cancel. Msg & data rates may apply. Msg frequency varies. Visit schoolmessenger.com/txt for info"

So that you may continue to receive these important messages, we encourage you to reply with "Y" or "Yes" when you receive such a verification message. If you do not reply, you will not receive any further text messages from our schools. To opt out of all text messages from SchoolMessenger, visit <http://www.schoolmessenger.com/txtmsg/> or reply with "STOP" to the opt-in message that you receive. If you opt-in, but later decide to opt-out, simply send "STOP" to 978338. You may also reply "STOP" to any message from our organization.

Please check with your wireless carrier for information about your mobile service plan and any possible charges related to text messaging. Our organization does not reimburse for any charges associated with sending or receiving text messages.

If you have any questions or would like more information about this, **please join us at our next Parent Council Meeting on Monday, February 10th starting at 6:00 p.m. in the Carmangay School Gym**, or contact us in the office at (403) 643-2576.

Regards,

Fred Jack,
